## PROFESSIONAL EXPERIENCE

---

### Front End Developer

Independent Contractor (Remote)

March 2020 – Present

*\*3 years & 9 months with Colibri Group | 1+ year with Reputation Elevation\**

Collaborate with SEO and marketing teams to develop pixel-perfect landing pages, templates and web components across popular CMS's like WordPress and Magento, as well as custom portals and a variety of other websites. Assist with digital marketing solutions such as A/B testing and SEO support while also assisting with day-to-day website updates, maintenance and planning.

### ESL Instructor

ILA Vietnam (Binh Duong, Vietnam)

February 2019 – December 2019

Worked in a regional language center near Ho Chi Minh City to provide comprehensive English instruction for students ranging from 3 to 70+ years old. Successfully passed Cambridge teaching observation on first attempt. Participated in focus groups and collaborated with program directors to help create curricula. Engaged in volunteer work within the local community.

### Front End Developer

Frey Design Group (Roselle, Illinois)

May 2018 – January 2019

Collaborated with corporate and enterprise level clients in addition to in-house designers to develop clean interfaces with simple, intuitive interactions. Created project concepts from wireframe to final product with a focus on maintaining optimal workflow. Contributed to a wide range of web projects with a specialization in custom WordPress websites.
